Hart District Council believes that interests of residents, staff and the Council are best served by the creation and implementation of clear and consistent policies and procedures. This policy statement details the Council's policy on and commitment to equality and diversity, and takes into consideration all current legal requirements.

I. Policy Statement

- 1.1 The Council's vision for Hart is a district that appreciates and celebrates its diversity, challenges intolerance and discrimination, and positively promotes equality. It also, through the effective delivery of services and activities, is a district where all residents have the opportunity to contribute towards and benefit from the district's success.
- 1.2 The Council is committed to working towards the elimination of discrimination, and to achieve equality of opportunity and outcomes for the residents and communities of Hart, and all employees of the Council.

2. What is Equality and Diversity?

- 2.1 Equality is all about making sure everyone is treated fairly and given the same opportunities. It is not about treating everyone the same.
- 2.2 Diversity is about recognising and valuing individual differences and raising awareness about them.

3. Why do we need an Equality Policy?

- 3.1 As a service provider and an employer we are committed to ensuring fair treatment and equal access to our services, to information and to employment: everyone can expect the same standards of treatment regardless of their protected characteristics. The Equality Act 2010 defines the protected characteristics as: age; disability; gender reassignment; sex; sexual orientation; religion or belief; race; pregnancy & maternity; and, marriage & civil partnership.
- 3.2 The Equality Act 2010 introduced new duties on the public sector, including local councils, some general and others specific. The general equality duties (the 'aims') requires public authorities to have due regard to the need to:
 - Eliminate discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Act
 - Advance equality of opportunity between people who share a relevant protected characteristic and people who do not share it
 - Encourage good relations between people who share a relevant protected characteristic and those who do not share it
- 3.4 In addition, the Public Sector Equality duty placed specific duties upon local authorities to:
 - Publish information to show their compliance which must include publishing information in relation to the make-up of the overall workforce with respect to their protected characteristics in comparison to the protected characteristics of the local population.

- Prepare and publish one or more specific and measurable equality objectives which will help the Council meet the three aims of the Equality Duty, at least every four years.

3.5 In addition to the requirements of the Equality Act 2010, the Council has further obligations to our staff as an employer including ensuring non- discriminatory recruitment, equal pay and the rehabilitation of offenders.

4. The Council's Commitment to Equality and Diversity

4.1 The Council is committed to ensuring equality of opportunity for all. We will:

- Ensure equality of opportunity for all
- Ensure fair treatment of all
- Ensure equal access to services, to information and to employment
- Eliminate unlawful discrimination on the grounds of the protected characteristics of our employees and service users
- Promote good relations between different groups and individuals within our community
- Actively seek to address inequality, taking a lead where necessary, to ensure quality services for everyone in the community

5. Responsibility and Accountability

5.1 The ultimate responsibility for implementing this policy and achieving change lies with the Joint Chief Executives, Corporate Directors, Heads of Service and Managers. However, the policy is the responsibility of all Members and employees, who are all accountable for their actions and must follow the principles and standards set out below.
