Part 1 Summary and Explanation

The Council's Constitution

Hart District Council has agreed a Constitution that sets out:

- how the Council operates
- how decisions are made
- the procedures which are followed to ensure that decisions are efficient, transparent, and accountable to local people. The law requires some of these processes, while others are up to the Council to choose.

The Constitution is divided into 16 articles, which set out the basic rules governing the Council's business. More-detailed procedures and codes of practice are provided in separate rules and protocols included elsewhere in the document.

What's in The Constitution?

Article 1 of the Constitution commits the Council to efficient and effective decision-making, which is transparent, accountable and encourages community involvement. Articles 2-15 explain the rights of residents and how the key parts of the Council operate. These are:

- Members of the Council (Article 2)
- The people of Hart and the Council (Article 3)
- Full Council (Article 4)
- Chairing the Council (Article 5)
- Overview and Scrutiny (Article 6)
- The Cabinet (Article 7)
- Committees of the Council (Article 8)
- The Standards Committee (Article 9A)
- The Audit Committee (Article 9B)
- Regulatory and other committees (Article 9C)
- The Staffing Committee (Article 9D)
- Joint arrangements (Article 10)
- Officers (Article 11)
- Decision-making (Article 12)
- Finance, contracts, and legal matters (Article 13)
- Review and revision of the Constitution (Article 14)
- Suspension, interpretation, and publication of the Constitution (Article 15)

How The Council Operates

The Council is composed of 33 councillors, who are elected as described in Article 2. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct that will ensure high standards in the way they undertake their duties. The Standards Committee will advise them on the code of conduct.

All councillors meet together as the Council. Meetings of the Council are normally open to the public. Here councillors decide the Council's overall policies and set the budget each year. The Council provides a focus for debate about the performance of the Cabinet. The public has an opportunity to question the Council, during Question Time.

How Decisions are made

The Cabinet is the part of the Council that is responsible for most day-to-day decisions. The Cabinet (including the Leader) comprises the Leader and between two and nine other councillors who are appointed by the Leader. When major decisions are to be discussed or made, these are published in the Cabinet's forward plan in so far as they can be anticipated. If these major decisions are to be discussed with council officers at a meeting of the Cabinet, this will generally be open for the public to attend except when personal or confidential matters are being discussed. The Cabinet has to make decisions that are in line with the Council's overall policies and budget. If it wishes to make a decision that is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

Overview and Scrutiny

The Overview and Scrutiny Committee supports the work of the Cabinet and the Council as a whole. It allows citizens to have a greater say in Council matters by holding public inquiries into matters of local concern when appropriate. These can lead to reports and recommendations that advise the Cabinet and the Council as a whole on its policies, budget, and service delivery. The main responsibility of the Committee will be to provide an overview and scrutiny function in respect of decisions taken by the Cabinet, the Council, and the Council's committees. This Committee can 'call-in' a decision that has been made by the Cabinet but not yet implemented. It may also examine decisions made by the Council and, in some cases, officers, or where other councillors have "called in" these decisions. It will consider whether the decision is appropriate, and it may recommend that the decision be reconsidered. It may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

The Council's Staff

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. There is a protocol, in Part 5, which governs the relationships between officers and Members of the Council.

People's Rights

Everyone who lives and works in Hart has a number of rights in their dealings with the Council; these are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

The text of the question shall be given to the Chief Executive before 10 am on the morning of the day of the meeting. - 14.6.1 is not about a matter for which the Council has duties or powers, or which affects the District
 - 14.6.2 is defamatory, frivolous, or offensive
 - 14.6.3 is substantially the same as a question that has been put at a meeting of the Council in the past six months

- 14.8 The Member to whom a question has been put may decline to answer.
- 14.9 The answer to a question may take the form of:
- 14.9.1 an oral answer

15. Formal Motions Requiring Notice

- 15.1 Notice of every motion, other than a motion given under Rule No. 16 shall be given in writing, signed by the Member or Members giving notice, and delivered to the Chief Executive at least seven clear days before the Council Meeting at which it is due to be considered.¹⁶ These will be entered in a book that is open for public inspection. See Appendix 4 - Practice Note For Formal Motions Requiring Notice.

Inclusion in Summons

- 15.2 All motions given under Rule No. 15.1 shall be set out in the Council Summons in the order in which they were received unless the Member giving notice states, in writing, that they propose to move their motion to a later meeting or withdraw it.

Withdrawal of Motion

- 15.3 If a motion thus set out in the Summons is not moved either by the Member who gave notice thereof or by some other Member on their behalf, it shall, unless postponed by consent of the Council, be treated as withdrawn and shall not be moved without further fresh notice.

Reference of Motion to Cabinet or Committee

- 15.4 If the subject matter of a motion of which notice has been duly given comes within the province of the Cabinet or a Committee, it shall, upon being moved and seconded, be referred without discussion to the Cabinet or Committee, or to such other Committee as the Council may determine for consideration and report. However, the Chairman may, if he considers it convenient and conducive to the despatch of business, allow the motion to be dealt with at the meeting at which it is brought.

- 16.2 If any question or matter arises at a meeting as to the appointment, promotion, dismissal, salary, superannuation, conditions of service, personal circumstances or conduct of any person employed by the Council, such question or matter shall not be raised or become the subject of discussion until the meeting has decided under Rule No. 21 whether the public should be excluded.

17. Rules of Debate

No speeches until motion seconded

- 17.1 No speeches may be made after the mover has moved a proposal and explained the purpose of it until the motion has been seconded.

When a Member may speak again

- 17.5 A Member who has spoken on a motion may not speak again whilst it is the subject of debate, except:

17.5.1 to speak once on an amendment moved by another Member

17.5.2 to move a further amendment if the motion has been amended

17.5.4 in exercise of a right of reply

17.5.5 on a point of order

17.5.6 by way of personal explanation

17.5.7 by way of a point of information.

Amendments to motions

17.6 An amendment to a motion must be relevant to the motion, may not have the effect of being a direct negative to the motion itself, and will either be:

17.6.1 to refer the matter to an appropriate body or individual for consideration or reconsideration

17.6.2 to leave out words

17.6.3 to leave out words and insert or add others

17.6.4 to insert or add words

17.7 Only one amendment may be moved and discussed at any one time. No further amendment may be moved until the amendment under discussion has been disposed of.

17.8 If an amendment is not carried, other amendments to the original motion may be moved.

17.9 If an amendment is carried, the motion as amended takes the place of the original motion. This becomes the substantive motion to which any further amendments may be moved.

17.10 After an amendment has been carried, the Chairman will read out the amended motion before accepting any further amendments, or if there are none, put it to the vote.

Alteration of motion

17.11 Where the Chairman considers that a proposed amendment to the motion to be relatively minor, the Chairman may ask the mover or seconder of the original motion if they are prepared to accept the amendment through its incorporation into their motion. If they agree, the original motion shall stand altered accordingly. The debate shall then proceed on the original motion, as altered. If they do not agree, consideration of the amendment shall proceed in accordance with the normal rules of debate.

17.12 A Member may alter a motion of which he has given notice with the consent of the meeting. The meeting's consent will be signified without discussion.

17.13 A Member may alter a motion which he has moved without notice with the consent of both the meeting and the seconder. The meeting's consent will be signified without discussion.

17.14 Only alterations which could be made as an amendment may be made.

Withdrawal of motion

- 17.15 A Member may withdraw a motion which he has moved with the consent of both the meeting and the seconder. The meeting's consent will be signified without discussion. No Member may speak on the motion after the mover has asked permission to withdraw it unless permission is refused.

Right of reply

- 17.16 The mover of a motion has a right to reply at the end of the debate on the motion, immediately before it is put to the vote.
- 17.17 If an amendment is moved, the mover of the original motion has the right of reply at the close of the debate on the amendment but may not otherwise speak on it.

- 17.20.2 that the question be now put
- 17.20.3 to adjourn a debate
- 17.20.4 to adjourn a meeting.
- 17.21 If a motion to proceed to the next business is seconded and the Chairman thinks the matter has been sufficiently discussed, he will give the mover of the original motion a right of reply and then put the procedural motion to the vote.
- 17.22 If a motion that the question be now put is seconded and the Chairman thinks the matter has been sufficiently discussed, he will put the procedural motion to the vote. If it is passed, he will give the mover of the original motion a right of reply before putting their motion to the vote.
- 17.23 If a motion to adjourn the debate or to adjourn the meeting is seconded and the Chairman thinks the matter has not been sufficiently discussed and cannot reasonably be so discussed on that occasion, he will put the procedural motion to the vote without giving the mover of the original motion the right of reply.

Point of order

- 17.24 A Member may raise a point of order at any time before the debate on the agenda item under considering is concluded. It must be made immediately the alleged irregularity or impropriety becomes apparent. The Chairman must hear them immediately. A point of order may only relate to an alleged breach of the Rules or the law. The Member must indicate the rule or law and the way in which he considers it has been broken. The ruling of the Chairman on the matter will be final.

Personal explanation

- 17.25 A Member may make a personal explanation at any time. A personal explanation may only relate to some material part of an earlier speech by the Member in the debate which may appear to have been misunderstood. The ruling of the Chairman on the admissibility of a personal explanation will be final and shall not be open to discussion.

Point of information

In the event of multiple vacancies for one body each Member shall have the number of votes equal to the number of vacancies and such votes are to be distributed between the Candidates.

- 44.9 Members of the press, media and public may be excluded only in accordance with either the Access to Information Rules in Part 4 of the Constitution or Rule Nos. 21, 23, 44 and 45.

45. Disorderly Conduct

Members

General Disturbance

- 45.3 If there is a general disturbance in any part of the meeting room open to the public, the Chairman may call for that part to be cleared and may, without the question being put, adjourn the meeting for such period as he considers appropriate.

Council's Scheme for Public Questions²⁰

The purpose of this Scheme for Public Questions is to provide guidance to Members, Officers, and the public on how questions at Full Council meetings will be dealt with. It is intended to be read alongside, and to be complementary to, Council Procedure Rule 12 (Public Question Time) as set out in the Hart District Council Constitution. If there is any conflict between the two, then Council Procedure Rule 12 shall take precedence.

• General

Members of the public can ask specific questions of the Leader, Members of the Cabinet, or any Chairman of a Committee at ordinary meetings of the Full Council and questions can be asked by anyone who lives, works, or studies in Hart District. Questions should be clear and concise (no more than 100 words including any context or subdivided parts) and should be framed to elicit information rather than to make a statement. The Chairman of Council, in consultation with the Chief Executive may refer a question to Officers for a direct written response if they consider the question can be most appropriately handled in that way. This may happen where, for example, it is felt that the question requires an in-depth technical answer or is unreasonably excessive because of its length or its number of parts.

The time allowed for each question shall be 2 minutes. The time allowed for each answer shall be 2 minutes. The total time allowed for both questions and answers shall be 20 minutes. This limit may be extended at the discretion of the Chairman.

• What should Questions be about?

The purpose of Public Questions is for members of the public to seek information. Questions should be about something within the Council's responsibilities, or something the Council is able to influence. They should not be defamatory or offensive or require the Council to disclose confidential information. If the question is substantially the same as one that has been put to the Council during the previous six months, it will not be answered again. Questions that take the form of a statement and not a genuine enquiry are unlikely to be accepted as being suitable for the purposes of Public Questions. In addition, questions should not be about:

- i) Planning applications/decisions - if you wish to influence a decision on a planning application you need to write directly to the planning officer dealing with the particular planning application that you are interested in. The Planning Officer will then make sure that your views are incorporated into any report that is prepared before any final decision is made on the application.
- ii) Alcohol, gambling, or sex establishment licensing applications/decisions - there are strict rules about what can influence licensing decisions. The law only gives 28 days for residents and business in the vicinity of the premises to make representations on a licensing application. **NOTE** This is an absolute

²⁰ This Scheme only applies to Public Question time at Full Council. It does not apply to Cabinet, Overview & Scrutiny Committee, Planning Committee, or Licensing Committee where separate arrangements may have been adopted.

limit. If you do not object within this 28-day period, you have lost the legal right to make any objection.

- iii) Any matter that is the subject of active legal or enforcement proceedings or an appeal to a tribunal (Housing Benefits Appeal Service for example) or to a Government Minister (a planning appeal for example) or an investigation by the Local Government Ombudsman.
- iv) There are separate procedures to follow if you want to make a complaint about a Councillor or a Council employee - please write to the Council's Monitoring Officer.
- v) Freedom of Information (FOI) request – there is a formal way to make an FOI request.

In the six-week period before an election or referendum the Council may need to deal with Public Questions differently to avoid taking any action that can otherwise be perceived as being advantageous to any candidates or parties in the forthcoming elections or referendum.

• **Order of questions**

Questions will be asked in the order notice of them was received, except that the Chairman may group together similar questions or, if there is more than one questioner, the Chairman may, at their discretion, adjust the order of questions to enable all questioners to have their first question heard before moving on to allow second or subsequent questions.

• **Notice of questions**

A question may only be asked if notice has first been given in writing to the Chief Executive (email to committeeservices@hart.gov.uk) no later than midday five clear²¹ days before the day of the meeting. Each question must give the name and address of the questioner.

• **Scope of questions**

The Chief Executive may reject a question if it:

- a) is not about a matter for which the local authority has a responsibility, or which affects the District
- b) is substantially the same as a question which has been put at a meeting of the Council in the past six months
- c) is defamatory, frivolous, vexatious, or offensive
- d) requires the disclosure of confidential or exempt information.

The Chairman may also rule that a question should not be answered if it is felt that the preparation of the answer would require the expenditure of a disproportionate amount of time, money, or effort.

• **Record of questions**

Copies of the questions accepted will be circulated to all Councillors and will be made available to the public attending the meeting. Only the specific question and

²¹ 'Clear' days - see Section I Interpretation, para 1.5 for clarification

answer will be published in the minutes after the meeting. Background or supporting material will not be recorded or published.

- **Asking the question at the meeting**

The Chairman will invite the questioner to put their question. If a questioner who has submitted a written question is unable to be present, he may ask the Chairman to put the question on their behalf.

- **Time Limits**

The time allowed for each question is 2 minutes and the time allowed to answer the question is also 2 minutes.

- **Supplementary question**

A questioner who has attended the Council meeting to pose their question may also then put one supplementary question to the Councillor who has replied to their original question. The supplementary question must arise directly out of the original question or the reply. It must not be a statement. It should also not repeat the original question. The time allowed for each supplementary question and its answer is 2 minute each.

- **Written answers**

Any question that cannot be dealt with during Public Question time, either because of lack of time or because of the non-attendance of the Member to whom it was to be put, will be dealt with by a written answer within 10 working days but there will no opportunity to ask a supplementary question. All answers will be circulated to members of the Council.

Hart District Council's Petitions Scheme²²

The purpose of this Scheme for Petitions is to provide guidance to Members, Officers, and the public on how petitions to the Council will be dealt with. It is intended to be read alongside, and to be complementary to, Council Procedure Rule 13 (Petitions) as set out in the Hart District Council Constitution. If there is any conflict between the two, then Council Procedure Rule 13 shall take precedence.

- **What is a petition**

A petition is a formal written request, typically one signed by many people, appealing to the Council in respect of a particular cause.

To fall in with the requirements of the scheme, the petition must relate to a function of the authority and partner organisations. A petition can also be about issues that involve neighbouring authorities where there is a direct impact on people in Hart District.

- **Who can submit a petition?**

A petition can be submitted by anyone who lives, works, or studies in Hart District.

- **How to submit a petition?**

Petitions can be submitted at any time and will be considered at an appropriate meeting 5 clear days²³ after submission. This does not necessarily mean that the petition will be considered at the first opportunity. If the petition raises an issue that requires further investigation, then the petition will be considered once those investigations have reached a point that allows a debate on the request contained in the petition to be considered. Petitions should be sent to Committee Services at Hart District Council,

Email: committeeservices@hart.gov.uk

Tel: 01252 774141

Write: Committee Services, Hart District Council, Harlington Way, Fleet, GU51 4AE

- **Number of signatures required for a petition**

To comprise a petition, it should be signed by many people (more than 50). The response to petitions will depend on what is being asked for and how many signatures it contains. In considering how to respond consideration will be given to what alternative action the Council can take e.g., holding a meeting with the lead petitioner, referring the petition to a cabinet member or officer. If the petition meets the following numbers, it may be presented to the following meeting:

Council/Cabinet (depending on whether the matter is a Council or Executive function) – over 1000 separate signatories

Overview & Scrutiny Committee – between 500 and 1000 separate signatories

²² This Scheme not apply to Planning Committee or Licensing Committee

²³ 'Clear' days - see Section I Interpretation, para 1.5 for clarification.

Petitions with less than 500 separate signatures will be dealt with by the relevant **Executive Director** in consultation with the respective Cabinet Portfolio Member, and if it relates to local issues only, the local Ward Councillors.

- **Issues that are not appropriate for a Petition**

In initiating a petition, you should make clear what you are asking for. Please do not submit a petition to the Council that is:

- a) about something that Hart is not responsible for
- b) about issues that are clearly outside the control or reasonable influence of the Council (national or international issues)
- c) about a purely personal issue
- d) confidential, libellous, false, or defamatory
- e) contains language that may cause offence, or is provocative or extreme in its views deceptive or misleading
- f) advertising or spam
- g) nonsensical, or a joke
- h) party political
- i) breaks the law or violates intellectual property rights
- j) potentially confidential, commercially sensitive or might cause someone distress or financial loss

This Petitions Scheme also does not apply to certain matters, where there are already existing processes for communities to have their say. The following matters are therefore **OUTSIDE** the scope of this Petitions Scheme:

- i) Planning applications/decisions - if you wish to influence a decision on a planning application you need to write directly to the planning officer dealing with the particular planning application that you are interested in. The Planning Officer will then make sure that your views are incorporated into any report that is prepared before any final decision is made on the application. Once a decision has been made on a particular planning application it is final and cannot be changed by the Council.
- ii) Alcohol, gambling, or sex establishment licensing applications/decisions - there are strict rules about what can influence licensing decisions. The law only gives 28 days for residents and business in the vicinity of the premises to make representations on a licensing application. NOTE this is an absolute limit. If you do not object within this 28-day period, you have lost the legal right to make any objection.
- iii) Any matter that is the subject of active legal or enforcement proceedings or an appeal to a tribunal (Housing Benefits Appeal Service for example) or to a Government Minister (a planning appeal for example) or an investigation by the Local Government Ombudsman.
- iv) There are separate procedures to follow if you want to make a complaint about a Councillor or a Council employee - please write to the Council's Monitoring Officer.

- v) Freedom of Information (FOI) request – there is a formal way to make an FOI request.

In the six-week period before an election or referendum the Council may need to deal with petitions differently to avoid taking any action that can otherwise be perceived as being advantageous to any candidates or parties in the forthcoming elections or referendum.

Petitions will not normally be accepted where they are the same, or are very similar, to petitions which have been submitted to the Council in the past 24 months.

- **What are the guidelines for submitting a petition?**

Petitions submitted to the Council must include:

- a) A clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take. People need to know what they are signing and therefore the petition should state clearly what it is about or what you think is wrong and what you would like to happen. It should be capable of being read in a few moments to enable people signing a petition to read it first. The petition should state that it is directed to Hart District Council.
- b) The name, full postal address and signature of any person supporting the petition.

Petitions should:

- 1 Be accompanied by contact details, including a full postal address, for the Petition Organiser. This is the person the Council will contact to explain how we will respond to the petition.
- 2 Include appropriate Privacy Statements. All petitions must include a fair data processing statement which makes clear that those who signed the petition will have their personal data passed to Hart District Council.

An example of a statement of Fair Processing of Data is:

“In signing this petition, you consent to the personal information you have provided being used in connection with the administration of the petition. Your information may be shared between the petition organiser, Hart District Council’s officers and its elected members, but will not be shared with third parties unless there is a legal requirement to do so. Your information will be held, stored, and destroyed securely in line with the principles of the General Data Protection Regulations 2018.”

The Council will not process a petition which does not comply with Data Protection requirements.

- **How will the Council respond to a petition?**

The Council’s response to a petition will depend on what a petition asks for, but may include one or more of the following:

- a) taking the action requested in the petition
- b) considering the petition at a Council meeting
- c) referring the issue to local Ward Councillors

- d) referring the issue to the Council's Overview & Scrutiny Committee²⁴
- e) referring the issue to the Council's Cabinet²⁵
- f) holding an investigation
- g) commissioning relevant research
- h) organising a public meeting
- i) mounting a wider public consultation
- j) meeting with the Petition Organiser or representatives of signatories
- k) providing a written response outlining the Council's views on the subject
- l) consulting statutory partners and local service providers
- m) instigating discussions with the voluntary and community sectors
- n) making representations to commercial or other Interests.

If the concern is a local, ward-based issue, then the presumption will be to refer the matter to local Ward Councillors. As a matter of course, local Councillors will be formally notified of all valid petitions that relate to the residents in their respective Wards.

Details of petitions received, and the final response /outcome of the petition will be published on the Council's website.

- **Petitions with 1,000 or more Signatures - Council (or Cabinet if the matter relates to an Executive function) debate**

If a petition contains 1,000 or more signatures it will normally be debated at the next ordinary meeting of the Council/Cabinet, although on some occasions this may not be possible, and consideration will take place at a subsequent meeting. At the meeting, the Petition Organiser will be given three minutes to address the Council/Cabinet, and the petition may then be discussed by Councillors.

The Council/Cabinet will decide how to respond to the petition at this meeting. It may decide to:

- a) take the action the petition requests (if it is within the Council's power to do so),
- b) not to take the action requested for reasons put forward in the debate, or
- c) to commission further investigation into the matter, for example by Overview & Scrutiny Committee or relevant Service, or
- d) the matter be referred to Local Ward Councillors for consideration.

- **Petitions with 500 or more (but less than 1,000) signatures – Consideration by Overview and Scrutiny Committee**

If a petition contains 500 signatures or more, but less than 1,000 signatures, it will be referred to Overview & Scrutiny Committee for consideration unless it is about an issue which is resolved before the meeting to the Petition Organisers satisfaction. Overview & Scrutiny Committee will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible, and consideration will take place at a subsequent meeting. The Petition Organiser will be given the

²⁴ Overview & Scrutiny is an important and specialist role for all Councillors who are not part of the Cabinet arrangements. Overview & Scrutiny Committee has processes available to it which enables it to review and challenge decisions, policies, and services, inform decision making and offer recommendations for the Cabinet and other agencies to consider.

²⁵ Cabinet is the executive decision-making body within the Council's structures, which is chaired by the Leader of the Council and is responsible for taking most of the day-to-day decisions within agreed budgets and policies.

opportunity to present the petition at the meeting and the petition will then be discussed by Councillors. Where possible the Cabinet Member with the relevant portfolio responsibility and appropriate officers will be invited to attend.

At this meeting, Overview & Scrutiny Committee will consider and make recommendations on how the Council should respond to the issue raised in the petition. The Committee may decide to recommend (to the Council, Cabinet, officers, or partners) that:

- a) the action the petition requests should be taken,
- b) no action is taken for reasons put forward in the debate,
- c) further investigation be commissioned into the matter, for example by a relevant Service, or
- d) the matter be referred to local Ward Councillors for consideration.

- **Petitions with less than 500 signatures**

A petition contains less than 500 signatures will be referred to the appropriate Executive Director or Service Manager for consideration. The Executive Director /Service Manager may decide to use delegated powers, in accordance with existing policies and budget provision to:

- a) take the action that the petition requests should be taken,
- b) not take the action requested by the petition where this would be outside existing policies and budget provision,
- c) refer the matter to Cabinet, Overview & Scrutiny Committee, or local Ward Councillors for consideration. The relevant Cabinet Member and appropriate local Ward Councillors will first be consulted on the action proposed to be taken by the Executive Director.

- **Feedback – How will the petitioners be told the outcome**

The Petition Organiser will receive a letter or email setting out the Council's final response to the petition and the reasons for it. This will normally outline the steps taken by the Council to consider the issue, including the involvement (where applicable) of Councillors. This response will also be published on the Council's web site.

Protocol for Recording, photography, and use of social media at meetings

The purpose of this Protocol is to provide guidance to those who wish to record and broadcast the proceedings of Council meetings²⁷. It should be read alongside and complementary to the Recording and Filming of Council meetings as set out in paragraphs 21.5 to 21.10 in the Hart District Council Constitution. If there is any conflict between the two, then paragraphs 21.5 to 21.10 shall take precedence. Councillors also need to read this protocol alongside the Members' Code of Conduct.

What you can do

You can make a record of all or part of the meeting in the following ways:

- In writing;
- Audio recording;
- Filming;
- Taking photographs;
- Using the internet and social media, such as tweeting and blogging.

You are also entitled to publish, post, or share your recording online, but we ask you not to edit the recording in a way that could lead to misinterpretation of the proceedings or shows a lack of respect to those being filmed.

Please contact Committee Services on 01252 774141 or email committeeservices@hart.gov.uk 24 hours in advance of the meeting if you require special arrangements to film or audio-record a meeting.

We ask you to.....

Always remain seated and only record the meeting from a designated area or from a public seating area.

Make sure that you're filming or recording is non-intrusive. Please do not interrupt the meeting by:

- standing up or moving around as this can disrupt the business. You may, however, leave the meeting whenever you wish;
- obstruct others from observing and participating in the proceedings;
- asking people to repeat statements for the purposes of the recording;
- making a noise setting up or disturb others around you by adjusting, moving, or re-siting equipment during the meeting; and
- using flash photography, extra lighting, or large equipment etc. unless it has first been agreed with us in advance and can be done without disrupting the meeting.

²⁷This relates to meetings such as Full Council, the Cabinet, and all Committees and sub-Committees of the Council. It does not apply to non-decision-making working parties or advisory panels unless they have specific decision-making powers delegated to them. It also does not apply to part of any meeting where confidential or exempt information is to be discussed.

What behaviour is not allowed?

You are not allowed to make oral commentary (i.e., commentate on proceedings) whilst you are at the meeting.

The Chairman of the meeting has the absolute discretion to stop or suspend filming, recording and use of social media during a meeting if, in their opinion, the continuation of the filming, recording, or reporting would

- disrupt or prejudice the proceedings,
- infringe the rights of any individual
- may lead to the breach of a legal obligation by the Council, or
- is in danger of repeating a defamatory statement that has been made.

What if participants do not want to be filmed?

Although we ask those filming/recording to refrain from covering the public seating area, we cannot guarantee that members of the public will not be filmed.

We especially ask those filming/recording meetings to avoid vulnerable people and/or children, but again, we cannot guarantee this will happen. Those responsible for children/vulnerable people must decide whether it is appropriate for them to attend meetings in these circumstances.

Private sessions

Where a meeting goes into private session, for example where confidential or exempt information is to be discussed, the public are excluded and any filming/recording equipment remaining in the room must be turned off before the person responsible for it leaves the room.

Can councillors use social media/film/record during meetings?

Yes, but Councillors need to consider their role at meetings and ensure that nothing distracts or stops them making good and effective decisions. They must also make sure that their actions do not disturb or distract their fellow Councillors or Officers.

Councillors are also bound by a range of additional provisions that apply to them in their role as Members of the Council. They can record proceedings in the same way as members of the public, but if they film/record a meeting from a position that is not otherwise available to the public, they must first seek the permission of the Chairman of the meeting. They must also make sure that amongst others, they comply with:

- Hart District Council's Constitution
- Hart District Council's Safeguarding Policy
- Hart District Council's Corporate Equality Policy and Objectives
- Hart District Council's Members' Code of Conduct
- The General Data Protection Regulations
- The Freedom of Information Act 2000

Keeping the public informed

The potential that the meeting may be recorded or filmed will be published on the front sheet of each meeting agenda; on signs displayed at the meeting and by announcement of the Chairman at the beginning of the meeting. If you stay at a meeting after this announcement, it will be taken that you have agreed to the broadcast of your image.

The Chairman will also identify at the beginning of the meeting which areas for that particular meeting are designated for filming/recording.

Part 4.2

These rules reflect the requirements of the Local Authorities (Executive Arrangements) Meetings and Access to Information) (England) Regulations 2012.

1 Scope

- 1.1 These rules apply to all meetings of the Council, Overview and Scrutiny Committee, the Standards Committee, and other committees of the Council and public meetings of the Cabinet (together called meetings).

2. Rights to Information

- 2.1 These rules do not affect any more specific rights to information contained elsewhere in this Constitution or the law.

3. Rights to Attend Meetings

Members of the public may attend all meetings (as above in Paragraph 1) subject only to the exceptions in these rules.

4. Notice of Meeting

- 4.1 The council will give at least five clear days' notice of any meeting by posting details of the meeting at the Civic Offices, Harlington Way, Fleet (the designated office) and published on the website.
- 4.2 Where a meeting is convened at shorter notice, publication must be as early as possible before the meeting.

5. Access to Agenda and Reports before the meeting

- 5.1 The Council will make copies of the agenda and reports open to the public available for inspection at the designated office and published on the website, at least five clear days before the meeting.
- 5.2 If an item is added to the agenda later, the revised agenda will be open to inspection from the time when the item was added to the agenda. Where reports are prepared after the summons has been sent out, the designated officer shall make each such report available to the public as soon as the report is completed and sent to councillors.
- 5.3 Where the report is deemed exempt/confidential every copy of the report, or part of the report as the case may be, must be marked not for publication, and it must be stated on every copy of the whole or part of the report, that it contains confidential information, and reference made to the descriptions in Schedule 12A to 1972 Act, the description of the exempt information by which the meeting is likely to exclude the public during that item.

5.4 Copies of the agenda and reports will be available at the meeting for members of the public, except for those items deemed exempt.

6. Supply of copies

The Council will supply copies of:

6.1 Any agenda and reports which are open to public inspection;

6.2 Any further statements or particulars necessary to indicate the nature of the items in the agenda; and

to any person on payment of a charge for postage and any other costs.

7. Access to documents after the meeting

The Council will publish on the website and make available copies of the following for six years after a meeting:

7.1 The minutes of the meeting (or records of decisions taken, together with reasons, and alternative options considered, for all meetings of the Cabinet) excluding any part of the minutes of proceedings when the meeting was not open to the public or which disclose exempt or confidential information;

7.2 A summary of any proceedings not open to the public where the minutes open to inspection would not provide a reasonably fair and coherent record;

7.3 The agenda for the meeting; and

7.4 Reports relating to items when the meeting was open to the public.

7.5 The Overview and Scrutiny Committee is entitled to a copy of any document relating to any decision made by Cabinet or a committee, a Cabinet Member, or an officer in accordance with executive arrangements. This entitlement includes copies of exempt or confidential information, unless the executive determines otherwise, in which case it must provide the Overview and Scrutiny Committee with a written statement setting out its reasons for that decision.

8. ~~(b)~~Background Papers

8.1 List of background papers

The report author will set out in every report a list of those documents (called background papers) relating to the subject matter of the report which in their opinion:

8.1.1 disclose any facts or matters on which the report or an important part of the report is based; and

8.1.2 have been relied on to a material extent in preparing the report.

The list of background papers will not include published works or those that disclose exempt or confidential information (as defined in Rule 10).

8.2 Public inspection of background papers

The Council will make available for public inspection for four years after the date of the meeting one copy of each of the documents on the list of background papers where practicable.

9. Summary of Public's Rights

9.1 A written summary of the public's rights to attend meetings and to inspect and copy documents must be published on the website and be available to the public at the designated office.

9.2 Because the Constitution must be available to the public, these Rules will constitute the written summary.

10. Exclusion of Access by the Public to meetings

10.1 Confidential information - requirement to exclude public

The public must be excluded from meetings whenever it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that confidential information would be disclosed.

10.2 Exempt information - discretion to exclude public

The public may be excluded from meetings whenever it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that exempt information would be disclosed.

Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6 of the Human Rights Act 1998.

10.3 **Meaning of confidential information**

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

10.4 **Meaning of exempt information**

Exempt information is defined in Schedule 12A of the Local Government Act 1972 Section 100A:

Schedule 12a

10. Information which:

- (a) falls within any of paragraphs 1 to 7 above; and
- (b) is not prevented from being exempt by virtue of paragraph 8 or 9 above,

is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

10.5 Maintaining Orderly Conduct

The public may be excluded from meetings if the exclusion of a member or members of the public ensures the maintenance of orderly conduct or prevents misbehaviour at a meeting.

11. Exclusion of Access by the Public to Reports

If the Chief Executive thinks fit, the Council may exclude access by the public to reports which in their opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked “Not for publication” together with the category of information likely to be disclosed (refer to Part 1 of Schedule 12A of the Local Government Act 1972 Section 100A).

12. Application of Rules to the Cabinet

12.1 Rules 13 - 21 apply to the Cabinet and its committees. If the Cabinet or its committees meet to take a key decision, it must also comply with Rules 1 - 11 unless Rule 15 (General Exception) or Rule 16 (Special Urgency) apply.

A key decision is defined in Article 12.04 of this Constitution.

- 12.2 If the Cabinet or its committees meet to discuss a key decision to be taken collectively, with an officer (other than a political assistant) present, within 28 days of the date according to the forward plan by which it is to be decided, it must also comply with Rules 1 - 11 unless Rule 15 (General Exception) or Rule 16 (Special Urgency) apply. A key decision is defined in Article 12.04 of this Constitution. This requirement does not include meetings whose sole purpose is for officers to brief members.

13. Procedure before taking Key Decisions

Subject to Rule 15 (General Exception) and Rule 16 (Special Urgency), a key decision may not be taken unless:

- 13.1 a notice (called here a forward plan) has been published in connection with the matter in question;
- 13.2 at least three clear days have elapsed since the publication of the forward plan; and
- 13.3 where the decision is to be taken at a meeting of the Cabinet or its committees, notice of the meeting has been given in accordance with Rule 4 (Notice of Meetings).
- 13.4 The particulars of the matter of the key decision e.g., a report, is published on the website at least 28 days prior to the meeting.
- 13.5 Particulars of the matter must be included in the document (13.4 above) but exempt and confidential information need not be included.

14. The Forward Plan (also known as the Work Programme)

- 14.1 The forward plan will be published each month in the Cabinet agenda and will include Key Decisions.
- 14.2 Exempt information need not be included in a forward plan, and confidential information cannot be included.

15. General Exception

If a matter which is likely to be a key decision has not been included in the forward plan, the decision may still be taken, subject to Rule 16 (Special Urgency), if:

- 15.1 the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next forward plan and until the start of the first month to which the next forward plan relates;
- 15.2 the proper officer has informed the Chairman of the Overview and Scrutiny

Committee, or if there is no such person, each member of that committee in writing, by notice, of the matter to which the decision is to be made;

- 15.3 the proper officer has made copies of that notice available to the public at the designated office and published on the website; and
- 15.4 at least five clear days have elapsed since the proper officer complied with 15.2 and 15.3 above.
- 15.5 As soon as is practicable after 15.2 above, a notice setting out the reasons why compliance with reg 9 is impracticable and that notice published on the website.

Where such a decision is taken collectively, it must be taken in public.

16. Special Urgency

- 16.1 If, by virtue of the date by which a decision must be taken, Rule 15 (General Exception) cannot be followed, the decision can be taken only if the decision taker (if an individual) or the chairman of the body making the decision, obtains the agreement of the chairman of the Overview and Scrutiny Committee that the taking of the decision cannot be reasonably deferred. If the Chairman of the Overview and Scrutiny Committee is unable to act, then agreement can be sought of the Chairman or Vice Chairman of the Council.
- 16.2 A notice setting out the reasons that the meeting is urgent and cannot be deferred should be published on the website and made available at the designated offices as soon as is practicable.
- 16.3 The Leader will submit a report to the Council on any executive decision taken in the circumstances set out in Rule 16 (Special Urgency), as soon as is practicable. The report will include the decision taken and a summary of the matters in respect of which the decision was taken.

17. When the Overview and Scrutiny committee can require a report to Council

- 17.1 If the Overview and Scrutiny Committee thinks that a key decision has been taken which was not:
 - 17.1.1 included in the forward plan; or
 - 17.1.2 the subject of the general exception procedure; or

17.1.3 the subject of an agreement with the relevant Overview and Scrutiny Committee Chairman, or the Chairman/Vice-Chairman of the Council under Rule 16.

17.2 The committee may require Cabinet to submit a report to the Council within such reasonable time as the committee specifies. The power to require a report rests with the committee, but is also delegated to the proper officer, who shall require such a report on behalf of the committee when so requested by the Chairman. Alternatively, the requirement may be raised by resolution passed at a meeting of the Overview and Scrutiny Committee.²⁸

17.2.1 Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within seven days of receipt of the written notice, or the resolution of the Overview and Scrutiny Committee, the report may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the individual or body making the decision and, if the Leader is of the opinion that it was not a key decision, the reasons for that opinion.

18. Record of Decisions

After any meeting of the Cabinet or its committees, Minutes will be produced as soon as practicable as a record of every decision taken at that meeting. The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

19. Executive Decisions made by individuals

19.1 When an individual Cabinet member wishes to make an executive decision, a written statement of that executive decision must be produced, which includes:

19.1.1 A record of the decision and the date it was made

19.1.2 A record of the reasons for the decision

19.1.3 Details of options considered and rejected, conflicts of interest, dispensations granted etc

²⁸ The Overview and Scrutiny (Reference by Councillors) (Excluded Matters) (England) Order 2008 No 3261 excludes:

(a) any matter relating to a planning decision;
(b) any matter relating to a licensing decision;
(c) any matter relating to an individual or entity in respect of which that individual or entity has a right of recourse to a review or right of appeal conferred by or under any enactment;
(d) any matter which is vexatious, discriminatory or not reasonable to be included in the agenda for, or to be discussed at, a meeting of the overview and scrutiny committee or at a meeting of a sub-committee of that committee.

19.2 When a decision is made by an Officer, as soon as reasonably practicable after a decision has been taken by an officer, they will prepare, or instruct the proper officer to prepare, a record of the decision, a statement of the reasons for it and any alternative options considered and rejected.

20. The Overview and Scrutiny Committee's access to documents

20.1 Rights to copies

Subject to Rule 20.2 below, the Overview and Scrutiny Committee (including any sub-committees) will be entitled to copies of any document which:

20.1.1 is in the possession or control of the Cabinet or its committees; and

20.1.2 contains material relating to any business transacted at a public or private meeting of the Cabinet or its committees.

20.2 Limit on rights

The Overview and Scrutiny Committee will not be entitled to:

20.2.1 any document that is in draft form; or

20.2.2 any part of a document that contains exempt or confidential information unless that information is relevant to an action or decision they are reviewing or scrutinising or intend to scrutinise.

21. Additional rights of access for Members

21.1 Material relating to previous business

All members will be entitled to inspect any document which is in the possession or under the control of the Cabinet or its committees and contains material relating to any business previously transacted at a private meeting unless it contains exempt information.

21.2 Material relating to key decisions

All members of the Council will be entitled to inspect any document (except those available only in draft form) in the possession or under the control of the Cabinet or its committees which relates to any key decision unless paragraph 20.2 above applies.

21.3 Nature of rights

These rights of a member are additional to any other right that they may have.

Part 4-3

Budget and Policy Framework:

Procedure Rules

Budget and policy framework procedure rules

1. The framework for Executive Decisions

The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once a budget or a policy framework is in place, it will be the responsibility of the Cabinet to implement it.

2. Process for developing the framework

The process by which the budget and policy framework will be developed is:

- 2.1 The Cabinet will publicise a timetable for making proposals to the Council for the adoption of any plan, strategy, or budget that forms part of the budget and policy framework, and its arrangements for consultation. The Chairman of the Overview and Scrutiny Committee will also be notified. The consultation period will in each instance be not less than six weeks.
- 2.2 At the end of that period, the Cabinet will draw up firm proposals having regard to the responses to that consultation. If the Overview and Scrutiny Committee wishes to respond to the Cabinet in that consultation process, then it may do so. As the Committee has responsibility for fixing its own work programme(s), it is open to the Committee to investigate, research or report in detail with recommendations before the end of the consultation period. The Cabinet will take any response from the Overview and Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Cabinet's response.
- 2.3 Once the Cabinet has approved the firm proposals, the proper officer will refer them at the earliest opportunity to the Council for decision.
- 2.4 In reaching a decision, the Council may adopt the Cabinet's proposals, amend them, refer them back to the Cabinet for further consideration or, in principle, substitute its own proposals in their place.
- 2.5 If it accepts the recommendation of the Cabinet without amendment, the Council may make a decision that has immediate effect. Otherwise, it may make only an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.
- 2.6 The proper officer will provide a copy of the minute of the Council's decision to the Leader.
- 2.7 An in-principle decision will automatically become effective five working days from the date when the Leader was provided with a copy of the minute unless the Leader informs the proper officer in writing within that period that they object to the decision becoming effective and provides reasons why.
- 2.8 In that case, the proper officer will put the matter onto the agenda of a Council meeting within the next 20 working days (even though that may involve calling

an extraordinary meeting). The Council will be required to reconsider its decision and the Leader's written submission.

The Council may

- 2.8.1 approve the Cabinet's recommendation by a simple majority of votes cast at the meeting; or
- 2.8.2 approve a different decision that does not accord with the recommendation of the Cabinet by a simple majority.
- 2.8.3 The decision shall then be made public and be implemented immediately;
- 2.8.4 In approving the budget and policy framework, the Council must expressly specify any changes that it wishes to make regarding the scope for virement within the budget which can be made in accordance with paragraph 5 of these Rules. Any other changes to the policy and budgetary framework are reserved to the Council.

3. Decisions outside the budget or policy framework

- 3.1 Subject to the provisions of paragraph 5 (Virement), the Cabinet, Cabinet committee and any officers, or joint arrangements discharging executive functions, may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, that decision may be taken only by the Council, subject to Rule 4 below.
- 3.2 If the Cabinet, Cabinet committee and any officers, or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer (S151 Officer) as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (Urgent decisions outside the budget or policy framework) shall apply.

4. Urgent decisions outside the budget or policy framework

- 4.1 The Cabinet, any Cabinet committee or officers, or joint arrangements discharging executive functions, may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may be taken only:
 - 4.1.1 If it is not practical to convene a quorate meeting of the full Council; and

- 4.1.2 If the Chairman of the Overview and Scrutiny Committee agrees that the decision is a matter of urgency.
- 4.3 The reasons why it is not practical to convene a quorate meeting of full Council and the Chairman of the Overview and Scrutiny Committee consents to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chairman of the Overview and Scrutiny Committee, the consent of the Chairman of the Council (and in the absence of both that of the Vice-Chairman of the Council) will be sufficient.
- 4.4 Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. Virement

Steps taken by the Cabinet, a Cabinet committee, officers, or joint arrangements discharging executive functions to implement Council policy shall not exceed those budgets allocated to each budget head. However, virement across budget heads will be allowed in accordance with the Council's financial regulations contained in the Financial Procedure Rules in Part 4 of this Constitution.

6. In-year changes to policy framework

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Cabinet, a Cabinet committee, officers, or joint arrangements discharging executive functions must be in line with it. Those bodies may make no changes to any policy or strategy that make up the policy framework.

7. Call-in of decisions outside the budget or policy framework

- 7.1 Where the Scrutiny Committee is of the opinion that a Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer (S151 Officer).
- 7.2 In respect of functions that are the responsibility of the Cabinet, the monitoring officer's report and/or Chief Finance Officer's (S151 Officer) report shall be to the Cabinet with a copy to every member of the Council. Regardless of whether or not the decision is delegated, the Cabinet must meet to decide what action to take in respect of the monitoring officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer (S151 Officer) conclude that the decision was a departure.
- 7.3 If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer (S151 Officer) is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the matter may be referred to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the

Council has met and considered the matter. The Council shall meet within 25 working days of the request by Cabinet or the proper officer. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer (S151 Officer). The Council may:

- 7.3.1 endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way; OR
- 7.3.2 amend the Council's financial regulations or policy concerned to encompass the decision or proposal of the executive decision taken and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way; OR
- 7.3.3 require the Cabinet to reconsider the matter in accordance with the advice of either the monitoring officer/Chief Finance Officer (S151 Officer) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget and does not amend the existing framework to accommodate it.

- 1.3.3 Unless the Leader directs otherwise, a committee of the Cabinet to whom functions have been delegated by the Leader may delegate further to an officer.
- 1.3.4 Even where executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the body who delegated.

1.4 The Council's scheme of delegation and executive functions

The Council's scheme of delegation will be subject to adoption by the Council and may be amended only by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.

- 1.5.3 If the exercise of a Cabinet function has been delegated to a committee of the Cabinet, or an officer, and should a conflict of interest arise, the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

1.6 Scheduling of Cabinet meetings

The Cabinet will be scheduled to meet a minimum of 12 times per year at times to be agreed by the Council. The Cabinet will meet at the Council's main offices or another location to be determined by the proper officer in consultation with the Leader.

All meetings of the Cabinet will be open to the public unless the item under discussion is considered exempt under Schedule 12A and Section 100 of the Local Government Act 1972 or confidential under Section 100A of the Local Government Act 1972.

The quorum for a meeting of the Cabinet, or a committee of it, will be three Members.

At each meeting of the Cabinet the following business will be conducted:

2.3.1 consideration of the minutes of the last meeting;

2.3.4 receipt of written representations from Council Members or members of the public; and

2.4 Consultation

All reports to the Cabinet from any member of the Cabinet or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and Overview and Scrutiny Committee as well as the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

2.5 The Agenda

- 2.5.1 Any member of the Cabinet may ask for an item to be placed on the agenda of the next available meeting of the Cabinet for consideration. If they receive such a request, the proper officer will comply.
- 2.5.2 The proper officer will make sure that an item is placed on the agenda of the next available meeting of the Cabinet where the Overview and Scrutiny Committee or the full Council have resolved that an item be considered by the Cabinet.
- 2.5.3 There will be a standing item on the agenda of each meeting of the Cabinet for matters referred by the Overview and Scrutiny Committee, the Council, or a member of the Cabinet. However, there cannot be more than six such matters per Cabinet meeting.
- 2.5.4 At the discretion of the Leader, or other person chairing a Cabinet meeting, members of the Council can be invited to take part in discussions at that meeting.
- 2.5.5 The Monitoring Officer and/or the Chief Finance Officer (S151 Officer) may include an item for consideration on the agenda of a Cabinet meeting and may require the proper officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Chief Executive, Chief Finance Officer (S151 Officer) and Monitoring Officer are of the opinion that a meeting of the Cabinet needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of a Cabinet meeting. If there is no meeting of the Cabinet soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

2.6 **Minutes**

- 2.6.1 The minutes of the meeting will be produced in a timely manner, made available to the public and published on the website as soon as is practicable.
- 2.6.2 The minutes of the meeting will record particulars of each decision made and a summary of the matters in respect of which each decision was made.
- 2.6.3 The minutes will be agreed at the following meeting, with any amendments to those minutes noted on the minutes of the meeting at which they were agreed.
- 2.6.4 The minutes will be signed by the Chairman of the meeting at which they are agreed.

Part 4-6

Overview and Scrutiny Procedure Rules

Overview and Scrutiny Procedure Rules – Overview and Scrutiny Committee

1. Arrangements for the Overview and Scrutiny Committee

The Council will appoint a Committee, set out in Article 6.

The terms of reference of the Committee in respect of matters will be:

- 1.1 the performance of all overview and scrutiny functions on behalf of the Council²⁹;
- 1.2 the appointment of such sub-committees as it considers appropriate to fulfil those overview and scrutiny functions;
- 1.3 to prepare an annual overview and scrutiny work programme, including the programme of any sub-committee it appoints, so as to ensure that the Committee's time is effectively and efficiently utilised;
- 1.4 to put in place a system to ensure that referrals from the Committee to the Cabinet either by way of report or for reconsideration are managed efficiently and do not exceed the limits set out in this Constitution;
- 1.5 in the event of reports to the Cabinet jeopardising the efficient running of Council business, at the request of the Cabinet to make decisions about the priority of referrals made.

2. Members of the Committee

All councillors except members of the Cabinet may be members of the Committee. However, no member may be involved in scrutinising a decision in which they have been directly involved.

3. Co-optees

The Committee will be entitled to recommend to Council the appointment of a number of people as non-voting co-optees.

²⁹ The Overview and Scrutiny (Reference by Councillors) (Excluded Matters) (England) Order 2008 No 3261 excludes:

- (a) any matter relating to a planning decision;
- (b) any matter relating to a licensing decision;
- (c) any matter relating to an individual or entity in respect of which that individual or entity has a right of recourse to a review or right of appeal conferred by or under any enactment;
- (d) any matter which is vexatious, discriminatory, or not reasonable to be included in the agenda for, or to be discussed at, a meeting of the overview and scrutiny committee or at a meeting of a sub-committee of that committee.

4. Meetings of the Committee

There shall be up to 12 scheduled meetings of the Committee in each year. In addition, extraordinary meetings may be called from time to time as and when appropriate. The Chairman may call a Committee meeting; a meeting may also be called by any three members of the Committee or by the proper officer if they consider it necessary or appropriate.

5 Quorum

The quorum for the Committee will be as set out for committees in the Council and Committee Procedure Rules (Standing Orders) in Part 4 of this Constitution.

6. Work programme

The Committee will be responsible for setting their own work programme and in doing so they shall take into account wishes of members on that on the Committee who are not members of the largest political group on the Council.

7. Agenda items

7.1 Any member of the Committee will be entitled to give notice to the proper officer that they wish an item relevant to the functions of the panel to be included on the agenda for the next available meeting of the Committee. On receipt of such a request, the proper officer will ensure that it is included on the next available agenda.

7.2 The Committee(s) will also respond, as soon as their work programme(s) permit, to requests from the Council and (if it considers it appropriate) the Cabinet to review particular areas of Council activity. Where the Council or Cabinet does so, the Committee(s) will report its findings and any recommendations to the Cabinet and/or Council, who will consider the report of the Committee(s) within one month of receiving it.

8. Policy review and development

8.1 The role of the Committee in relation to the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules.

8.2 In relation to the development of the Council's approach to other matters not forming part of its policy and budget framework, the Committee may make proposals to the Cabinet.

8.3 The Committee may hold inquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research, and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to address them on any matter under consideration

and may pay advisers, assessors and witnesses a reasonable fee and expenses for doing so.

9. Reports from Committee

- 9.1 Once it has formed recommendations on proposals for development, the Committee will prepare a formal report and submit it to either the proper officer for consideration by the Cabinet (if the proposals are consistent with the existing budgetary and policy framework), or the Council (e.g., if the recommendation would require a departure from or a change to the agreed budget and policy framework).
- 9.2 If the Committee cannot agree on one single final report to the Council or the Cabinet as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or Cabinet with the majority report.
- 9.3 The Council or Cabinet shall consider the report of the Committee within one month of it being submitted to the proper officer.

10. Consideration by the Cabinet of Overview and Scrutiny Reports

- 10.1 The reports of the Committee referred to the Cabinet will be included at this point in the agenda (unless they have been considered in the context of the Cabinet's deliberations on a substantive item on the agenda) within two months of the Committee completing its report/recommendations.
- 10.2 The Committee will in any event have access to the Cabinet's forward plan and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from the Committee following a consideration of possible policy/service developments, the panel will at least be able to respond in the course of the Cabinet's consultation process in relation to any key decision.

11. Rights of Committee members to documents

- 11.1 In addition to their rights as councillors, members of the Committee have the additional right to documents, and to notice of meetings, as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.
- 11.2 Nothing in this paragraph prevents more-detailed liaison between the Cabinet and the Committee, depending on the particular matter under consideration.

12. Members and officers giving account

- 12.1 The Committee may scrutinise, and review decisions made, or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role they may require any member of the Cabinet, the Head of Paid Service and/or any senior officer to attend to explain:

12.1.1 any particular decision or series of decisions;

12.1.2 the extent to which the actions taken implement Council policy;

12.1.3 their performance.

and it is the duty of those persons to attend if so required.

12.2 Where any member or officer is required to attend the Committee under this provision, the Chairman of the panel will inform the proper officer. The proper officer will inform the Member or officer in writing, giving at least five clear working days' notice of the meeting at which, they are required to attend. The notice will state the nature of the item for which They are required to attend and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, the Member or officer concerned will be given sufficient notice to allow for the preparation of that documentation.

12.3 Where, in exceptional circumstances, the Member or officer is unable to attend on the required date, the Committee shall in consultation with the Member or officer arrange an alternative date for attendance.

13. Attendance by others

The Committee may invite people, other than those people referred to in paragraph 13 above, to address it in order to discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and officers in other parts of the public sector and will invite such people to attend.

14. Call-in

14.1 Call-in should be used only in exceptional circumstances. The circumstances in which it can be used are as follows:

14.1.1 Any five or more non-executive Members will have the right within five working days of the publication of the decision (subject to giving reasons) to call in any Cabinet decision to the Committee on the grounds that it is:

14.1.1.1 contrary to policy;

14.1.1.2 contrary to budget; or

14.1.1.3 based on incorrect, inadequate, or inaccurate information.

14.1.2 The Chief Executive may reject a request for call-in if he is of the view that none of the grounds in 14.1.1.1 to 14.1.1.3 above has been satisfied.

14.1.3 Any five or more members will have the right within five working days of the publication of the decision (subject to giving reasons) to call in

to the Committee any executive decision which is made under joint arrangements, or which is a key decision made by an officer with delegated powers from the Cabinet on any of the grounds 14.1.1.1 to 14.1.1.3 set out in the preceding paragraph.

- 14.1.4 Any fifteen members will have the right within five working days of the publication of the decision to call in any executive decision direct to full Council if they consider it to be a matter of such importance that it needs to be considered by the full Council.
- 14.2 When an executive decision is made by the Cabinet or under joint arrangements, or a key decision is made by an officer with delegated authority from the Cabinet, a record of that decision will be published on the website and will be available at the main offices of the Council normally within two days of being made. The proper officer will send all Councillors copies of the records of all such decisions within the same timescale. The record will bear the date on which it is published.
- 14.3 Subject to the urgency provisions in paragraph 15 below, any executive decision of the type referred to in paragraph 14.2 above will come into force and may be implemented following the expiry of five working days from the date of publication of the record of the decision UNLESS before the expiry of that period the decision is called in in accordance with these rules.
- 14.4 Members will notify the proper officer of any executive decision that they wish to call in within five days of the date of its publication. The proper officer shall refer any decision that is called in accordance with these Rules to either the Overview and Scrutiny Committee or full Council as appropriate. The proper officer shall notify the decision-taker of the call-in.
- 14.5 The Committee will, as soon as practicable, consider any decision that has been called in (unless under para 14.1.4 above members elect to call in directly to full Council).
- 14.6 If, having considered a called-in decision, the Committee is still concerned about it, then it may either refer it back to the decision-taker for reconsideration, setting out in writing the nature of its concerns, or refer the matter to full Council. If referred to the decision-taker, that person or body will then reconsider the decision within a further 10 working days, or at its next scheduled meeting (whichever is the later) amending the decision or not, before adopting a final decision.
- 14.7 If, having considered a called-in decision, the Committee does not refer the matter back to the decision-taker or onwards to full Council, the decision will take effect on the next working day after the Committee meeting.
- 14.8 If, in the view of the proper officer, the Committee fails to consider as soon as practicable any decision that has been called in to the Committee, the proper officer will refer the matter to the next available meeting of full Council.

14.8.1 If the matter is referred to full Council and Council does not object to a decision that has been made, no further action is necessary, and the decision will take effect on the next working day after the Council meeting. However, if Council does object, it has no locus to make decisions in respect of an executive decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, Council will refer any decision to which it objects back to the decision-taker, together with the Council's views on the decision. The decision taker will consider whether to amend the decision before reaching a final decision and implementing it.

15. Call-in and urgency

15.1 The call-in procedure set out above will not apply where the decision being taken by the Cabinet is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests. The record of the decision will state whether, in the opinion of the decision-making person or body, the decision is an urgent one, and therefore not subject to call-in. The Chairman of the Council and the Chairman of the Committee must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of either Chairman, the relevant Vice-Chairman's consent will be required. In the absence of the required Members, the Chief Executive or their nominee's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.

16. The party whip

No party whip shall be applied to the proceedings of the Committee.

17. Procedure at committee meetings

17.1 The Committee and sub-committees will consider the following business:

17.1.1 minutes of the last meeting;

17.1.2 declarations of pecuniary interest;

17.1.3 consideration of any decisions "called in" to the committee;

17.1.4 whether any Cabinet decisions published since the committee last met should be "called-in" for consideration or referred to Council;

17.1.5 responses of the Cabinet to reports of the Committee; and

17.1.6 the business otherwise set out on the agenda for the meeting.

- 17.2 Where the Committee conducts investigations, it may also ask people to attend to give evidence at meetings that are to be conducted in accordance with the following principles:
- 17.3 that the investigation be conducted fairly, and all members of the panel be given the opportunity to ask questions of attendees, and to contribute and speak;
- 17.4 that those assisting the committee by giving evidence be treated with respect and courtesy; and
- 17.5 that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- 17.6 Following any investigation or review, the Committee will prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

 - 1.7.3.2 the proper officer has notified the appointor that no objection was received by them within that period from the executive leader; or

 - 1.9.2 the proper officer has notified every member of the executive of the authority of -
 - 1.9.2.1 the name of the person who the dismissor wishes to dismiss;

 - 1.9.3.2 the proper officer has notified the dismissor that no objection was received by them within that period from the executive leader; or
 - 1.9.3.3 the dismissor is satisfied that any objection received from the executive leader within that period is not material or is not well-founded.
- 1.10 Nothing in paragraph 2 shall prevent a person from serving as a member of any committee or sub-committee established by the authority to consider an appeal by -
 - 1.10.1 another person against any decision relating to the appointment of that other person as a member of staff of the authority; or
 - 1.10.2 a member of staff of the authority against any decision relating to the dismissal of, or taking disciplinary action against, that member of staff.

Relating to Members and officers

Protocol for Member/Officer Relations

1. Introduction

- 1.1 The purpose of this protocol is to guide Members and Officers of the Council in their relations with one another in such a way as to ensure the smooth running of the Council.
- 1.2 Given the variety and complexity of such relations, this protocol does not seek to be either prescriptive or comprehensive. It seeks simply to offer guidance on some of the issues which most commonly arise. It is hoped, however, that the approach which it adopts to these issues will serve as a guide to dealing with other issues.
- 1.3 This protocol is to a large extent no more than a written statement of current practice and convention. It seeks to promote greater clarity and certainty. If the advice is followed it should also ensure that Members receive objective and impartial advice and that officers are protected from accusations of bias and any undue influence from Members.

2. General Principles

- 2.1 This protocol seeks to reflect the principles underlying the respective Codes of Conduct which apply to Members and officers and are referred to more fully in section 12 below. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and they, therefore, demand very high standards of personal conduct.
- 2.2 A relevant extract from the National Code of Local Government Conduct for members is reproduced below:

"Both councillors and officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to councillors and the council, and to carry out the council's work under the direction and control of the council, their committees, and sub-committees.

Mutual respect between councillors and officers is essential to good local government. Close personal familiarity between individual councillors and officers can damage this relationship and prove embarrassing to other councillors and officers."

- 2.3 A balance between formality and informality in Member-officer relations needs to be struck - there are dangers in over emphasising informality, just as unnecessary formality is unduly restrictive. In terms of the new roles and settings that are emerging, formal relations need to be maintained in all public decision-making arenas, including DSO board-style arrangements, policy scrutiny committees and multi-agency partnerships. More informal relations may be appropriate, however, in Panels, Area Forums and area-based partnerships as well as in community development initiatives and for strategy formulation or problem-solving more generally.

- 2.4 In line with the National Code's reference to "mutual respect" it is important that any dealings between Members and officers should observe reasonable standards of courtesy and that neither party should seek to take unfair advantage of their position.
- 2.5 Members should not raise matters relating to the conduct or capability of a Council employee or of employees collectively at meetings held in public. This is a longstanding tradition in public service. Employees have no means of responding to criticisms like this in public. Such criticism should, however, be distinguished from Members' right to disagree with the professional judgement of officers; Members are not *bound* to follow officers' advice. If Members feel they have not been treated with proper respect, courtesy or have any concern about the conduct or capability of a Council employee, they should raise the matter with the Executive Director of the department concerned if they fail to resolve it through direct discussion with the employee. The Executive Director will then look into the facts and report back to the Member. If the Member continues to feel concern, the Member should then report the facts to the Chief Executive who will look into the matter afresh.
- 2.6 There is also an established convention that officers do not criticise Members in public meetings. The Council's Standing Orders contain a procedure for dealing with a grievance by an officer against a Member (as well as one for dealing with a grievance by one Member against another) pursuant to the Council's harassment policies.
- 2.7 It is an inevitable consequence of political life that there may be occasions on which a Member feels bound publicly to criticise the Council. However, before doing so, it is important that the Member has taken adequate steps to verify the accuracy of the facts upon which such criticism is based. The Member concerned would normally be expected to verify the facts with the relevant officer unless they are sure as to their accuracy.
- 2.8 It is recognised that there may be close social or personal relationships between Members and officers which commenced either before or after a Member's election to or an officer's employment by the Council. In these circumstances, the Member should disclose this relationship to their group leader and to the Council's Monitoring Officer, and the officer to their Executive Director and to the Monitoring Officer. In order to maintain the integrity of the individuals concerned and the Council, such relationships should never be hidden. To do so can lead to suspicion and mistrust. The group leaders and Chief Executive will endeavour to ensure that neither the Member nor the officer is placed in a position where such relationship between the Member and the officer will be seen to conflict with the remaining provisions of this protocol.

3. Officer Advice to Members

- 3.1 It must be recognised by all Officers and Members that, in discharging their duties and responsibilities, officers serve the Council as a whole and not exclusively any political group, combination of groups or any individual Member of the Council.
- 3.2 There is now statutory recognition for party groups, and it is common practice for such groups to give preliminary consideration to certain matters of Council business in advance of such matters being considered by the relevant Council decision making body. All officers must, in their dealings with political groups and individual Members, treat them in a fair and even-handed manner.
- 3.3 The support provided by officers will most frequently/has usually taken the form of a briefing meeting with a Chairman and/or Vice Chairman prior to a committee or panel meeting. It is likely that similar arrangements will evolve with the relevant portfolio holder in the Cabinet. Whilst in practice officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.
- 3.4 Officer support must not extend beyond providing information and advice in relation to matters of *Council* business. Officers must not be involved in advising on any matters of party business.
- 3.5 Unless otherwise agreed in advance with the Chief Executive, officers will not brief meetings which include persons who are not Members of the Council. However, where attendance in these circumstances has been agreed by the Chief Executive, special care will need to be exercised by officers involved in providing information and advice to such meetings. Persons who are not Councillors will not be bound by the National Code of Local Government Conduct (in particular, the provisions concerning the declarations of interests and confidentiality) and, for this and other reasons, officers may not be able to provide the same level of information and advice as they would to a Members-only meeting.
- 3.6 Any request for advice, together with the advice given to a political group or Member will be treated with strict confidentiality by the officers concerned and will not be accessible to any other political group. It is acknowledged, however, that factual information upon which any advice is based will, if requested, be available to all Members.
- 3.7 Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the content of any such discussion to another party group.
- 3.8 Any particular cases of difficulty or uncertainty in this area of officer advice to Members should be raised with the Chief Executive who will discuss them with the relevant group leader(s).

4. Support Services to Members

- 4.1 The only basis on which the Council can lawfully provide support services (e.g.) stationery, photocopying, meeting rooms etc.) to Members is to assist them in discharging their role as members of the Council. Such support services must therefore be used only on Council business. This limitation will on occasion require a distinction to be made between the business of a political group on the one hand and more general party political or campaigning activity on the other. Support services can properly be used for the former purposes but not for the latter.

5. Members' Access to Information and to Council Documents

- 5.1 Members are free to approach any Council Department to provide them with such information, explanation, and advice (about that Department's functions) as they may reasonably need in order to assist them in discharging their role as members of the Council. This can range from a request for general information about some aspect of a Department's activities to a request for specific information on behalf of a constituent. Such approaches should normally be directed to the Executive Director, or another senior officer of the Department concerned. In cases of doubt, officers in the Democratic Services Group should be asked for assistance.
- 5.2 As regards the legal rights of Members to inspect Council documents, these are covered partly by statute and partly by the common law.
- 5.3 Members have a statutory right to inspect any Council document *which contains material relating to any business which is to be transacted at a Council, Cabinet, Committee or Sub-Committee meeting*. This right applies irrespective of whether the Member is a member of the Cabinet, committee or sub-committee concerned and extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers. This right does not, however, apply to documents relating to certain items which may appear on the "Exempt" section of the agenda for a meeting. The items in question are those which contain exempt information relating to employees, occupiers of Council property, applicants for grants and other services, the care of children, contract and industrial relations negotiations, advice from Counsel and criminal investigations.
- 5.4 The common law right of Members is much broader and is based on the principle that any Member has a prima facie right to inspect Council documents *so far as their access to the documents is reasonably necessary to enable the member properly to perform their duties as a Member of the Council*. This principle is commonly referred to as the "need to know" principle.
- 5.5 The exercise of this common law right depends therefore, upon the Member's ability to demonstrate that he or she has the necessary "need to know". In this respect a Member has no right to "a roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". This question must initially be determined by the particular Executive Director whose Department holds the document in question (with advice from the Monitoring Officer or the Chief

Executive). In the event of dispute, the question falls to be determined by the Cabinet or relevant committee - i.e., the committee in connection with whose functions the document is held.

- 5.6 In some circumstances (e.g., a Cabinet or Committee member wishing to inspect documents relating to the business of that Committee) a Member's "need to know" will normally be presumed. In other circumstances (e.g., a Member wishing to inspect documents which contain personal information about third parties) a Member will normally be expected to justify the request in specific terms. Furthermore, there will be a range of documents which, because of their nature are either not accessible by Members or accessible only by the political group forming the administration and not by the other political groups. An example of this latter category would be draft documents compiled in the context of emerging Council policies and draft committee reports, the disclosure of which prematurely might be against the Council's and the public interest.
- 5.7 Whilst the term "Council document" is very broad and includes for example, any document produced with Council resources, it is accepted by convention that a Member of one party group will not have a "need to know" and, therefore, a right to inspect, a document which forms part of the internal workings of another party group.
- 5.8 Further and more detailed advice regarding Members' rights to inspect Council documents may be obtained from the Monitoring Officer or the Chief Executive.
- 5.9 Finally, any Council information provided to a Member may be used by the Member only for the purpose for which it was provided, i.e., in connection with the proper performance of the Member's duties as a Member of the Council. This point is emphasised in the National Code of Local Government Conduct in the following terms:

"26. As a Councillor or a committee or sub-committee Member, you necessarily acquire much information that has not yet been made public and is still confidential. It is a betrayal of trust to breach such confidences. You should never disclose or use confidential information for the personal advantage of yourself or of anyone known to you, or to the disadvantage or the discredit of the council or anyone else."

6. Officer/Chairman Relationships

- 6.1 It is clearly important that there should be a close working relationship between the Chairman of a committee and the Executive Director and other senior officers of any department who will report to or service the meetings of that Committee. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the officers' ability to deal impartially with other Members and other party groups.
- 6.2 Whilst the Chairman of a committee (or sub-committee) will routinely be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in some situations an Executive Director

will be under a duty to submit a report on a particular matter. Similarly, an Executive Director or other senior officer will always be fully responsible for the contents of any report submitted in their name. This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. Any issues arising between a Chairman and an Executive Director in this area should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.

- 6.3 An Executive Director will seek to ensure that the relevant committee or panel chairman or portfolio holder is aware of information provided by them to other members when the information clearly relates to the business of that committee, panel, or portfolio holder. This would not apply where the information was of a routine or trivial nature or where it would involve a breach of confidence or other statutory or formal requirement.
- 6.4 When there is no overall control of the Council, it would be expected that, in addition to the chairman's briefing before any meeting, the political groups' representatives on a committee or sub-committee would also be offered the opportunity of a briefing through their spokespersons.
- 6.5 In relation to action between meetings, it is important to remember that the law allows for decisions (relating to the discharge of any of the Council's functions) to be taken only by the Executive, a committee, a sub-committee, or an officer. The Council's constitution does not allow for such decisions to be taken by a Chairman or indeed by any other single Member.
- 6.6 At some committee and sub-committee meetings, a resolution may be passed, which authorises named officers to take action between meetings in consultation with the Chairman. It must be recognised that it is the officer, rather than the Chairman, who takes the action, and it is the officer who is accountable for it.
- 6.7 Finally, it must be remembered that officers within a Department are accountable to their Executive Director and that whilst officers should always seek to assist a Chairman (or indeed any Member), they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Executive Director.

7. Member/Officer Roles

- 7.1 Traditionally, the distinction between roles turns on Members being responsible for determining policy whilst officers are responsible and accountable for implementing policy and managing the organisation. Given these roles, officers are expected to work within and pursue Council policies. Equally, Members must not interfere with executive matters that are the responsibility of managers.
- 7.2 Organisational, managerial, political, and other changes in local government have all combined to prevent this traditional distinction being used as a precise demarcation tool to define the respective roles of Members and officers (if it ever could be). However, it remains a useful touchstone to guide Members and officers. The former should guard against becoming involved in

operational detail whilst the latter must demonstrate commitment to the properly formulated policies of the Council irrespective of any personal views.

- 7.3 It is a fundamental principle that officers should not hold themselves out to third parties as having power to bind the Council (leaving aside any issue of delegated powers). Similarly, Members should not seek to negotiate with third parties and purport to represent the will of the Council.
- 7.4 Officers are accountable to their Executive Director from whom they will normally receive their work through the line management structure. There will be occasions when officers receive work direct from a member of the Cabinet or from the Chairman of a committee, sub-committee, or panel. Officers will routinely liaise with their line managers on their capacity to undertake such tasks. There may be occasions when the Executive Director or other senior officer reverts to the Member concerned to discuss the impact of such work. It would not normally be expected that other members would approach officers with tasks (save for the Chairman of the Council in relation to their secretary).

8. Correspondence

- 8.1 Correspondence between an individual member and an officer will not as a matter of course be copied (by the officer) to any other Member. Where correspondence is copied to another member, this should be made clear to the original Member. In other words, a system of "silent copies" should not be employed. Members will, of course, bear in mind that officers will brief Chairmen and portfolio holders as outlined in paragraph 6.3 above.
- 8.2 Where an officer corresponds with a Member on a matter of general interest in their ward or parish, it is in the best interests of the Council to ensure that other Members in the locality are informed of such matters. In these circumstances, copies of correspondence will normally be sent to all Members in the locality unless there is a reason why this is not appropriate.
- 8.3 Official letters on behalf of the Council should normally be sent out over the name of the appropriate officer, rather than under the name of a Member. It will be appropriate in certain circumstances (e.g., representations to a Government Minister) for a letter to appear over the name of a Member, but this should be the exception rather than the norm. Letters which for example, create obligations or give instructions on behalf of the Council should never be sent out over the name of a Member. When Members use official Council notepaper, they should be careful to make clear the capacity in which they are writing.

9. Involvement of Ward Councillors

- 9.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the ward or wards affected should as a matter of course be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the ward Members should be notified at the outset.

- 9.2 Officers will seek both to inform and to keep Members informed about any initiative which is being developed. However, Members must be aware of the pressures on officers' time and that officers may exercise judgement as to how much information is provided. Officers will seek in a timely manner both to inform and to keep members informed about any initiative which is being developed or decision which is to be made that affects the Ward.

10. Ceremonial Events

- 10.1 The Chairman of the Council, or in their absence the Vice-Chairman, will be the appropriate person to lead Council ceremonial events which are not specifically associated with a Cabinet function or particular committee and to represent the Council by invitation at ceremonial events of other organisations which are not specifically associated with a Cabinet function or particular committee.
- 10.2 Portfolio holders and Chairmen of committees (or, where Chairmen are not available, Vice-Chairmen) are the appropriate candidates for ceremonial events within the scope of their portfolios or committees. Where the relevant portfolio holder is not available, he or she may nominate any other Member of the Council. If neither the Chairman nor Vice-Chairman of a Committee are available, any other Member may be nominated by the Chairman or Vice-Chairman.
- 10.3 Local Members should always be informed of, and where possible, invited to, ceremonial events taking place within their wards, as should Parish and Town Councils as appropriate.
- 10.4 Any Member taking part in a ceremonial event must not seek disproportionate personal publicity or use the occasions for party political advantage bearing in mind that the Member is representing the Council as a whole.

11. Public Relations and Press Releases

- 11.1 The Council's PR and Marketing team services the Council as a whole and must operate within the limits of the Local Government Act 1986, which prohibits the Council from publishing material which appears to be designed to influence public support for a political party. Council press releases are drafted by officers and will often contain quotations (within the limits of the Local Government Act 1986) from the Leader and Deputy Leader of the Council, the relevant portfolio holder the Chairman and Vice-Chairman of the committee or sub-committee whose service is involved and from the Chairman and Vice-Chairman of the Council about ceremonial events. Such press releases are issued on behalf of the Council, and it would not, therefore, be appropriate when repeating quotations from Members to indicate their party-political affiliation or to attribute policies or initiatives to the ruling group.
- 11.2 Similar considerations apply to Partners magazine. Valuable Member guidance to the magazine is provided by the Communications Advisory Group. However, the ultimate editorial discretion resides with officers who must ensure that the content reflects a corporate point of view. [OBJ]

12. Other Codes

- 12.1 Officers are subject to the Council's Disciplinary and Grievance Procedures and Harassment Policy, which are incorporated into their contracts of employment.
- 12.2 Integral to this are an Officer Code (based upon the LGMB's Code of Conduct for Local Government Employees) and the National Code of Local Government Conduct (by which all Members have declared, on accepting office, that they will be guided).
- 12.3 A significant number of officers throughout the Council are also subject to codes from their professional bodies e.g., Law Society, RTPI etc.
- 12.4 Reference has already been made to the procedures incorporated into the Council's Standing Orders for dealing with grievances by officers against Members or by one Member against another.
