My name is Annie McCallum and I live at [REDACTED] and I am writing to support the new evidence in the draft Neighbourhood Plan on the gaps between Crookham Village, Fleet and Dogmersfield (Policy NE01).

I have lived in the village for more than 33 years and having appreciated its rural setting, lovely views across open fields and the various walks and vantage points available, I felt I had to add my voice in support of saving and protecting the gaps. If we allow Fleet and Crookham Village to become one, the character of the village, and the peaceful way of life associated with this, will be lost forever. Losing the gaps will also have a detrimental impact on both flora and fauna, which are both very much a feature of the peaceful surroundings of the village today.

Thank you for considering these points.

Kind regards,

Annie McCallum.
