Dear Sirs,

### Concerning: Crookham Village Neighbourhood Plan 2016 – 2032 Additional Evidence Representation

I live at [REDACTED]

[REDACTED] and work as a gardener in properties around Crookham Village, Church Crookham, Dogmersfield and Fleet. I write to support all the evidence on the gaps in the draft Crookham Village Neighbourhood Plan, described in Policy NE01.

The community relies on the gaps to maintain the separate identity and different character of Church Crookham, Crookham Village and Fleet. The open skies and quick access to footpaths in the gaps are an important part of life here. This would be lost if the policy was missing and the settlements coalesced.

I would be grateful if you would take these points into consideration and maintain the policy in the Neighbourhood Plan.

Yours sincerely, Kevin Axtell
