Dear Sir/Madam,

We are writing to say that we support the new evidence in the draft Neighbourhood Plan on the gaps between Crookham Village, Church Crookham, Fleet and Dogmersfield (Policy NE01) in it's entirety.

We have lived in Crookham Village for 50 years now, and the gaps are essential for keeping the village a village!

Without the gaps, Crookham Village will become a built up suburb of Fleet and Church Crookham, eventually even merging with and swallowing up the tiny little village of Dogmersfield, and it's character will be entirely altered. In fact, it will be lost altogether.

The gaps provide the setting, character and open views in the village, and are the most important part of what makes Crookham Village a village, and must be protected.

Yours faithfully,

Jean & John Hillyer
