I am writing to support the new evidence included in the draft Neighbourhood Plan on the gaps between Crookham Village, Church Crookham, Fleet and Dogmersfield (Policy NE01).

It is vital Crookham Village retains its Gaps. I walk my dog along the three designated footpaths mentioned, along with many other local dog walkers, on a daily basis. I enjoy living in this historic village and it would be dreadful to see it merged in any way with the more urban areas of the surrounding town and villages. The Gaps are vital.
