I am writing to support the new evidence included in the draft of the Neighbourhood Plan on the gaps between Crookham Village, Church Crookham, Fleet and Dogmersfield (Policy NE01).

I chose to live in the Village over living in the town for its scenic countryside walks and its wide open spaces. Keeping the historic gap, is vital for the character of the area. I am concerned that any coalescence of this village with the nearby town and villages will have negative consequences for the flora and fauna of the area, as well as ruin the overall landscape.
