To Whom It May Concern:

Please see below my thoughts on why it is so important to keep the local gap preventing Crookham Village merging with Church Crookham, Fleet and Dogmersfield to make one big conurbation.

I love walking our dog every day after school where we always see wild animals which we learn about.

I enjoy spending time with my family enjoying the pretty countryside that forms the setting of the separate area of Crookham Village – at the moment it is a different area to Fleet and I don't want to lose the village community I am a part of.

Please confirm receipt of these supporting comments.

Many thanks,

Chloe ([REDACTED])
