To Whom It May Concern:

Please see below my thoughts on why it is so important to keep the local gap preventing Crookham Village merging with Church Crookham, Fleet and Dogmersfield to make one big conurbation.

I love being able to enjoy the countryside and use the footpaths daily. I am always interested to watch the wildlife, especially the deer.

If we loose the green areas, the deer will go too which is terrible.

Please confirm receipt of these supporting comments.

Many thanks,

Isabella ([REDACTED])
