To Neighbourhood Planning,

I am in full support for the Neighbourhood plan for the reasons listed below;

1. It will be a real shame for the Crookham Village to lose it's title as a village , as its the last remaining village in Fleet. A great bit of history will be destroyed.
2. We don't have enough facilities for the additional plans, specially are roads they will be over busy and become dangerous.
3. The main attraction will be lost and centre of the whole Village will no longer be there.

Many thanks

katherine
