Dear Sir / Madame,

This is Jennifer Kwok from Fleet. I am an registered architect and am passionate about protecting special characters within a special Village like Crookham Village. I am writing to support the new evidence in the draft Neighbourhood Plan on the gaps between Crookham Village, Church Crookham, Fleet and Dogmersfield (Policy NE01).

I believe and agree with the Parish Council about keeping the gaps policy in our Neighbourhood Plan is vital. In short, I believe the gaps policy would be able to prevent the visual merging of differing settlements in to one massive conurbation. It will also maintain the separate identity and character of Crookham Village, Dogmersfield, Church Crookham, Fleet and the landscape within the gaps.

Thank you.

Your sincerely,

Jennifer Kwok
